

Good news... we're going digital!

Our patient billing is going digital to:

**Increase convenience
for you**

**Reduce
paper waste**

**Provide personalized
email and text messages**

What to expect:

- We are now delivering communications via **email, text or mail**.
- You will always be able to control** how you are receiving these and can change your preferences at any time.

Why we're doing this:

- To make the **payment process easier** for you.
- With digital communications, it is **easier and faster to view and pay** any statement.
- To help the environment—we want to **minimize paper waste** sent to patients that would prefer digital communications.
- To give you a **more individualized experience**. We know that no two patients are the same, so you should be communicated with in the ways that work best for you.
